Dear Travel Friends:

Due to the increased cases of COVID 19, Choice Travel is implementing **new trip requirements for trips of 3 days or more in length effective 10/15/21**. Because we value the lives, friendships, and safety of our passengers, Choice Travel is requesting passengers to provide **ONE** of the following wellness options on the departure date of any tour of 3 days or more:

Proof of Vaccination against COVID-19 - Proof must include the passenger name & final dose given at least 14-days before the tour departure date. Electronic or paper proof are acceptable

Proof of Negative Covid-19 Test taken within 72 hours of the tour - Must include a verifiable negative diagnostic COVID Test showing date and time of test. **Electronic or Paper proof are acceptable.**

Proof of Antibodies – Written documentation from a health care provider of a blood test showing the presence of antibodies. The test must have been done within 3 months of the trip departure date.

Proof of recovery from COVID-19 - A copy of a positive test result dated at least 14 days prior to the trip but not more than 6 months prior to the trip. This written documentation from your health care provider must include your name and date of your positive COVID diagnosis.

Medical Exemption – Written document from a health care provider stating a medical reason why it is not recommended you receive the vaccination and that you understand the risks of traveling as a result of COVID 19.

This change does not apply to trips scheduled prior to 10/15/21 and trips less than 3 days in length unless required by an attraction / venue. Masks may be required at various times during the trips regardless of length. Choice Travel will continue to review and update these requirements based on current health conditions and venue requirements.

If you are signed up for a Choice Travel trip scheduled to depart after 10/15/21 that is 3 days or longer in length and you are unable or do not want to provide one of the above mentioned documents, please contact me as soon as possible and I will be happy to issue you a refund. We are trying to provide you ways to enjoy safe travels while reducing the possible physical, mental, and financial risks associated with COVID 19. Thank you for your understanding and hopefully we can continue to travel safely through these unusual times.

Sincerely

CHOICE TRAVEL
